### **Main shareholder Dieter Hegele initiates succession // Company group expands management // Realignment of the contract logistics service provider has been completed**

**Karlsruhe/ 12.17.2019** – With the appointment of Stefan Ulrich as CEO of the Simon Hegele Group, the logistics service provider, with headquarters in Karlsruhe, completes its fundamental strategic realignment. The 49 year old, a graduate businessman, has been part of the management of the Simon Hegele Group since 2015 and is responsible for the successful implementation of the Group-wide optimization program in this position.

Ulrich has many years of experience as a board member and management consultant in the strategic realignment of well-known companies at home and abroad.

In his new role Ulrich is now responsible, among other things, for the expansion of the business in addition of the finance department.

As a further step in the organizational change, Christoph Ludin (Industry & Retail), Karim O. Darvich (Industry & Retail) and Mike Winter (Healthcare) will be managing Simon Hegele Gesellschaft für Logistik und Service mbH in the future.

"Simon Hegele is a meaningful supply chain service provider for known international companies in the area of international contract logistics with its sometimes unique services," says Stefan Ulrich. "I look forward to working with my colleagues and staff to further develop customer relationships, inspire new partners for us and expand the business internationally."

Dieter Hegele, who continues to be the main shareholder of Simon Hegele Holding GmbH, is confident about the new man at the top „Stefan Ulrich is an accomplished manager who is committed to the successful realignment of our group and has made a significant impact over the last four years. I wish him much success for his new tasks. Together with the now completed management team, Stefan Ulrich will lead the Simon Hegele Group to a successful future."

### **About the Simon Hegele Group**

The Simon Hegele Group counts to one of the most innovative service providers along complex supply chain processes. The principle of "more than just logistics..." has been the engine for the further development of the company group and its services for about 100 years. At more than 50 locations worldwide, Simon Hegele offers customers from the healthcare, industrial, IT and retail sectors highly specialized value-added services tailored to the respective customer processes and supports them in adapting and focusing to and on their respective core competencies.
